Items for PRAISE:

- Praise the Lord for his over-ruling of all sorts of travelling hindrances for the different family holiday groups last month - i.e train delays and cancellations through shots fired at train, rail subsidence, tree fallen on line. *(All unusual for German trains).*
- Praise that despite all, many want to come back next year!
- Praise for the clear witness and testimony of believers to their faith in Jesus to others during the month to whom the whole idea of a relationship to the Lord is a new thing.
- Praise that with sufficient funds donated a new optical-fibre cable bringing internet and telephone is now through our wall into the cellar waiting a final connecting up.
- Continue praise for the enthusiastic voluntary helpers God is sending us this summer.
- Praise for Tom Lori's ministry one Sunday in Aug and for local Christians with us,

.Items for PRAYER:

- Tim & Deb and family are having a week away in a friend's apartment in France before school starts again on 11th Sept.
- The village senior citizens come to us this month (Tuesday 12th) for their regular monthly get-to-together.
- Pray for guests who have been with us this summer: Family A who have heard the Gospel many times but never made commitment; The father of family B who is struggling to maintain the faith he once professed; Families C and D who experienced days of close contact with Christians for the first time; The children and young people who we long to see embracing Jesus.
- For blessing through the two reformation programmes scheduled for this autumn.
- For God's guidance as we plan our ministry for Christmas, New Year and 2018. Also for our daily physical strength and the helpers we need, particularly for the right person/s with a willingness to commit themselves to the work longer term.
