

## The Programme

Our programme explores the history of the 16<sup>th</sup> century Reformation in Germany and Switzerland with special sessions by Dr Bernhard Kaiser over two days on Luther and the doctrine which caused the break with Rome.

Other evening sessions will concentrate on more local aspects of reformation history in preparation for the different outings planned. Talks will be supplemented with DVDs depicting the lives of the Reformers with opportunity for informal discussion.

The programme of outings on offer includes visits to historic sites connected with Reformers and early Anabaptists in Basel. Zürich, Strasbourg, also Wildhaus, in the Swiss Alps, where Ulrich Zwingli the Swiss reformer was born.

Some free time is built into the programme so that you can relax and enjoy the beauties of the Black Forest.

**Dr Bernhard Kaiser** is founder and director of the Institute of Reformational Theology in Reiskirchen near Giessen, Germany, and is lecturer in Systematic Theology at the Selye-János University in Komárom, Slovakia. His passion is teaching the relevance of Reformation theology for today's generation.

Zwingli's home in Wildhaus where he was born in 1484

## Haus Barnabas

is a Christian family guest house and retreat centre led by Pastor Len Holder, his wife Phyl along with Tim & Deb Brooks and family.

Haus Barnabas is located in the village of Utzenfeld in the Wiese valley, seen here below. We are easily accessible, just 30 miles from Basel and 20 miles from Freiburg

For relaxation there are footpaths to suit every degree of fitness, cable cars up the mountains and excellent public transport services. All guests receive a 'guest card' which gives free use of public transport in most of the Black Forest.

By scheduling this reformation programme over ten days we are ensuring you will have time for your own activities in addition to being able to participate fully in our planned outings.
